Forecast for Thursday 26 May 2022

Weather: Area of light to moderate rain spreading from the west overnight, which clears to east early to mid-morning, leaving a day of sunshine and only a few light and isolated rain showers.

Chance of cloud-free hill tops above 700m: 10-20% early morning, otherwise 95% plus.

Low cloud and visibility: Good or very good, becoming moderate or poor in early rain, perhaps sporadically in later showers, very poor within cloud as bases extensive from 300-500m in early rain, infrequently from 600m in later showers.
